Dear Mr. Swindell:

Technology Sciences Group, Inc., on behalf of Virox Technologies, Inc., herein submits the enclosed label notification for the above referenced product to revise typographical errors and correct select omissions in the previously reviewed label. It was discovered that there was a minor error in the company address. This has been revised on the enclosed label; in addition, a company address update letter has already been submitted to ITRMD to update OPP's Company Database. Further and in preparation for state review of labels, some consistency issues in the Directions for Use section have been changed. Specifically, instructions to spray or to leave carpet "damp" for the contact time have been changed to "wet" to promote consistency and obviate any user confusion. Similarly for soft surfaces, clarity has been provided to leave the surface "damp" in all cases. Please find enclosed the following documents supporting this notification:

- 1) EPA Notification Form (EPA Form 8570-1);
- 2) One redline copy of the proposed label with changes indicated;
- 3) Three (3) clean copies of the proposed label.

If you have any questions or require additional information or clarification, please do not hesitate to contact me by phone at (202) 828-8967 or by e-mail at mreynolds@tsgusa.com.

Sincerely,

Regulatory Consultant to Virox Technologies, Inc.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. Read and follow all directions and precautions on this product label.

Fabric and carpet (precaution) advisory statement: Before you clean, test a small, hidden area for colorfastness and examine when dry. If color is affected, do not use. Before using this product on upholstery, look for manufacturers cleanability code tag. Use on upholstery coded "WS" or "W". Do not use on upholstery coded "X" or "S". Do not use on velvet, silk, vinyl, or leather upholstery. Do not use on wool carpet.

Remove solid residue and blot excess liquid with a clean, colorfast, absorbent cloth.

For use on carpet[†]:

To spot clean & sanitize: Spray a light even coating on soiled area (until wet). Allow to remain wet for 60 minutes (1 hour) (an hour). Gently blot area with a clean, damp, color-safe cloth. Repeat as needed (for stubborn stains). Let air dry. (Vacuum.) (Deep clean following your machine's guide.)
